

Initial Setup Guide

AV Receiver

DRX-3.4

<https://integraworldwide.com/manual/dr34/top.pdf>

This document uses a 7.1 channel system as an example when describing use. Refer to the online instruction manual when using other than a 7.1 channel system. There are also descriptions for using the multi-zone feature and other detailed operating instructions.

STEP 1

Info

This icon means the important setting. Make sure to confirm the setting at "Initial Setup" (STEP 3).

Integra

Troubleshooting

Try restarting the unit. Switch this unit to standby, then do ❶. If the problem is not fixed, try the following:

- Unplugging the power cord and HDMI cables then replugging them in again
- Initializing the settings (do ❷ while this unit is ON)
- Updating the firmware
